

Decided Grant within Call 2024-N**Support to International Space Missions**

Grant rules are planned to be released in Prisma in January. Feedback to applicants can be expected in January.

The decision foresees continued support beyond the two-year grant if certain conditions are fulfilled.

Dnr	Project	Principal applicant	Gender	Affiliation	2025	2026	2027	2028	Total
2024-00122	Earth Climate Observatory	Thorsten Mauritsen	m	Stockholm U.	1 526	1 599			3 125
Sum (kk):					1 526	1 599	0	0	3 125

Planned* Grants within Call 2024-N**Support to International Space Missions**

** SNSA plans to take the formal grant decision in January 2025. The table below is therefore preliminary and does not guarantee funding. Grant rules are planned to be released in Prisma in January. Feedback to applicants can be expected in January.*

No long-term commitments are associated with the planned grants.

Dnr	Project	Principal applicant	Gender	Affiliation	2025	2026	2027	2028	Total
2024-00123	LISA	Ross Church	m	Lund U.	1 933	3 010	3 091	2 232	10 266
